Day Two

The next morning Justin woke me by kicking me in the balls and told “me to take a shower.” So, I left and took a shower. I can’t refuse anything Justin says. He has a power over me that I don’t understand but do not care why. Therefore, when I’m about to leave the shower Justin came in, I just froze. He came up to me and said to suck his dick. So I just sank to my knees, take his dick into his my mouth and started sucking like no tomorrow. Justin loved it. He started humping me without mercy. Soon he came into my mouth but he held his dick deep into my mouth so I had to swallow all of his cum. Justin finally pulled out and I took a big breath. He said that I am a great cocksucker and I will do just fine, just fine. Then he told me to get dressed and meet him at the McDonalds. I left, got dressed and went to McDonalds. I sat there waiting. It was about 7:55am. I waited about 15 minutes when Justin walked in. Behind him was two men and two teen-ages. The boys catch my eye. They are twins. Both were six foot with black hair and brown eyes. They look like they are about 17-18 years old. The two men are also tall, about 35 years old, wearing business suites. Justin pointed to me and, he and the two men had a discussion. Next, Justin came over to me and introduced the two men and their sons. Justin said, “Here is the boy I promised”. He told me, “Boy this is John and Mike and their sons are Jeff and Rick.” Then the twins sat next to me one on each side. The men sat across from me and Justin sat at the end of the table.

John asked how old I was, I said “eighteen.” Rick asked if I could cook and clean.

I said “Yes.”

John asked if I do drugs.

I said “No Sir!”

He said “Good, no drugs allowed in their house.” Jeff asked if I was gay.

I said “Yes”.

Rick asked what experience I had. I said that I had sucked dick and been fucked. The men said that I would not need any money and they would take care of all my expenses. Then they said that in exchange for this that I would do all the house work and do anything that they asked me to do which included sex with their boys. See we need a good houseboy who will satisfy our sons sexual

needs. So if our boys tell you to do something then you must do it. However, if you do something wrong then you will be punished. Anyone of us can administer the punishment. The punishment can be very painful.

“Do you think you can handle that boy?”

“Yes Sirrrr!”

“Also, if we like you then we may help you with your education. Do you understand all the terms boy.”

“Yes Sirrr! I will do what ever you guys tell me. I do not want go back to the shelter.”

“Good boy then we have an understanding.”

Just then the twins grabbed my dick and balls. Jeff grabbed my dick and Rick grabbed my ball. Rick squeezed my balls hard and my dick got hard. Jeff started stroking me through my jeans. Just then Mike brought out a piece of paper and said for me read it and sign it. I read it but was distracted by the raging hard on that the twins where helping along. The letter stated all the things that we talked about but also said that I would call everyone SIR and I was not to touch my dick unless approved by one of the Jones's family members. I wanted to get away from the shelter and I did like the way that Justin ordered me around. Plus the twins were very hot. So I signed the letter (contract).

Mike took the contract and John gave Justin 500 dollars. I just realized that Justin sold me to the Jones family. But, I didn't care because the twins were making me so horny, I want them so bad. John told the twins to stop and take the new boy to the van. The twins grab my arms one on each side and we walk out of the McDonalds. Jeff opened the door, Rick got in and Jeff said to “Get in boy”. I went in next to Rick and Jeff got in, closed the door and sat next to me. The windows were all tinted very dark and no one could see in. Jeff told me to stripe. I was a little surprised and hesitated a minute. Rick said "Did my bother tell you to do something Boy!"

“Yes Sir”

I took off my shoes, jeans, and T-shirt. Then Jeff said “Take everything off.” So I took off my socks and underwear.

Rick said "Good boy but a little slow. Be faster next time if there is a next time."

Jeff said “you will not ware any clothes in our house.”

Then John and Mike opened the door and gave some food to us and we drove off. As we where eating Jeff opens his fly, pulled out an eight inch dick, and put ketchup on his dick and told me to clean him up. So I knelt between his legs to swallow his cock but he stops me and said to just lick it clean. He put more ketchup along his dick like a hot dog. I lick it clean savoring every drop. Then, I swallow my new Master like it was the last hot dog on the face of the earth. He seemed to enjoy it. Sitting back in his seat. Jeff just moaned and seemed to forget about the burgers. Rick now had his dick out, stroking it and egging me on. He was saying “Suck it boy.” So I sucked even harder not wanting to disappooint either boy. Rick leaned over and squeezed my tit. It surprised me but I

kept on sucking Jeff's huge dick. I start to touch my dick. It felt so good. But Rick noticed and squeezed my tit harder then I had ever felt before and yeld "HANDS OFF BOY!" I immediately pull my hand away. He then told me "If you tried that again, your hands would be cuffed behind your back for a week. And that would piss off everyone in the house, because we would have to do your housework. Do you understand? You do want to get on our bad side already boy do you?"

I pull off Jeff's dick and said "SORRY SIR it will not happen again. Please forgive me SIR."

With that Jeff pushed me back on his dick. Rick said "you will be punished for this when we get back to the house! Then maybe we will think about forgiving you." Rick had a big simile on his face.

That made me worry a little but I did not have time to think about it because at that moment Jeff started humping my mouth like a jack rabbit and could not breath with him having both hands on my head forcing his dick deep into my mouth. Next thing I knew Jeff was cumming. I was suffocating but just as I thought I was going to pass out his let me up. Jeff just smiled at me and said that I was one hell of a cocksucker. That made me feel great and full of pride.

John said to straighten up boys we are almost home. The van turned into the drive but I could not see what my new home looked like. Then before I sat up we were in the garage. Then Mike got out opened door and Jeff and Rick grabbed me by my arms and pulled me out of the van. They lead me into the house and down to the basement.

They push me over a table and say "Arms out over your head". I did it and Rick cuffed my arms to chains bolted to the table. Mean while Jeff cuffed my legs to the table legs. I could not move and a little scared.

Rick whispered in my ear "Its time for your punishment, boy". With that he spanked my ass with his hand. Jeff put a blindfold on me. Then Jeff asked Rick what they were going to use on me. Rick said to use the red handled paddle. Jeff picked up the paddle and placed it on my ass. It was cold. I jumped a little. Jeff asked, "Is that cold".

I said "yes".

Rick said "Yes what boy"

I yelled "YES SIRR!"

"That's better. Now I want you count the strikes but you must say thank you Sir after each strike. Also, remember to breath. Do you understand, boy!"

I yelled "YES SIR! "

Then Jeff swings and hits my ass.

WHAK!

ONE SIR! THANK YOU SIR!

WHAK! WHAK!

TWO SIR! THANK YOU SIR!

WHAK! WHAK! WHAK!
THREE SIR! THANK YOU SIR!

WHAK! WHAK! WHAK! WHAK!

Jeff rubbed my ass, which felt good. Jeff said, "Boy you are one hot fucker, Ha! Ha! Ha!" Rick asked if I learned my lesson.

I said "Yes Sir I will not touch my dick without your permission again, Sir".

"You better not boy or this will seem like a piece of cake. Now lets untie you and show around."

Jeff untied my arms and Rick untied my legs then pulled me up. He pushed me to other side of the basement. There was a cot in the corner and a bathroom in the other corner. This is where you will sleep when you are not in one of our beds. On the corner of the cot were leather cuffs. I stared at the cuff.

Rick said "You will be cuff to the bed until we determine whether you can be trusted. We don't want you to steal our money and then run way. That would not be good for you. The money would not last you very long and then you would sell you body for money. You don't want that do you boy".

I said "No Sir. I don't want to be on the streets again."

"Good then this is where you will sleep".

"Yes Sir. Thank you Sir."

You learn fast that's good. Please us and you will go far. Displease us and you will be punished to an inch from your life.

"Yes Sir I will do everything to please you both."

Rick then pulled out his 7 inch dick, put a condom on it and said "Please me now boy." He told me to turn around and kneel on bed.

I do as I was told. Jeff gave Rick some lube. He lubed up my ass by first putting one finger in then two and finally three. Now, he was fingering fucking my ass. I started to moan. He asked if I liked it.

I said "Yes Sir it feels great give me more please Sir."

"No problem boy I got a pole that will give you a lot more." Then he sticks his pole up to my hole. I felt it go in. It was wider than Justin's. I took a big breath as it went inside me. I felt the pain increase. Rick then pulled out. I caught my breath and then he pushed it all the way in and laid on top of me. He licked my ear and whispered, "You have a great ass boy. I'm going to love fucking you whenever I feel like it". Then he started fucking me hard and continued whispering my ear. "Boy you are so tight. I want to fuck you all night long. Would you like that boy?"

"Yes Sir, please fuck me all night! I want to make you happy Sir."

"That's good boy! You make me feel good and horny. But I think Jeff would like some of your pleasure." Right then Jeff stuck his cock to my mouth. I took it in my mouth and Jeff pushed it all the way down my throat. Rick said "Take it boy! Suck my bother's cock. I know you love it cocksucker." Now I was being fuck from both ends and loving every minute. Rick fucked me like there was no tomorrow. I got so horny and wanted to stroke my dick but my sore ass told me not to.

Rick read my mind, slapped my ass and said, "Don't even think about touching your dick!"

I mumbled "Yes Sir" with a cock in my mouth it is hard to speak.

Just then someone came down the stairs. John yelled "Rick and Jeff your friend Kirk is here".

Kirk said "Dam guys what do you have here?"

Jeff said "Hi Kirk. How you like our new boy." Our Dads picked him up this morning.

Kirk said "Wow he's looks hot."

"Do you want some of him?"

Kirk said "Dam right! He's just what the doctor ordered."

"Yeah, you could say that Doctor John ordered him."

They all laughed, Ha Ha Ha Ha.

Kirk asked where they found him. Rick said "At the shelters." Justin called me last night and said "He had a boy that we would like." So I told our dads and they asked when can we pick up this boy? I told him 8:00am tomorrow. So we picked him up at McDonalds.

Kirk said, "Now that's cool guys". I wish I could get a boy.

Jeff said, "Kirk you can come over anytime and our boy will service you. Won't you boy?"

"Yes Sir."

"Yes he'll will do anything we tell him. Won't you boy?"

"Yes Sir anything Sir."

"Boy, Kirk is like one of the family so you treat him the same. Understand?"

I said "Yes Sir Kirk is one of the family Sir."

"Good boy you're learning. But you have lots more to learn."

Jeff told Kirk to suck my dick. Kirk crawled under me started sucking. I was in heaven, sucking Jeff's big cock and Rick fucking my ass with his big pole. Plus, Kirk sucking me off. Yes I was in heaven.

Jeff reminded me not to cum. "I will tell you when you can cum boy."

I felt Rick getting closer. Then Rick started pumping me faster "ah ah ah", and shoots his huge load. Next, Jeff came.

Kirk was told to such me faster! "Make my boy enjoy one of only times he will cum."

Then, Jeff told Kirk to stop sucking me and just pump me a while. He put a bottle up my dick. I couldn't take it any more I exploded and every drop was collect edin the bottle. It was the most intense feeling I had ever felt.

Jeff said "Good boy." He told me that he was proud of me. That made me feel even better. Then he put the bottle full of my cum to my lips. He said, "Drink up boy". I didn't have a choice. I could not disappoint the twins or I would get punished. However, I had never drank my cum before. So I just closed my eyes, opened my mouth and drank. It wasn't bad, kind of salty, but ok.

Then Jeff said "What do you say when you are given something?"

"THANK YOU SIR FOR ALLOWING ME TO DRINK MY CUM SIR."

Jeff said "Good boy". Now we have another gift for you. He picked up a cock ring and put it to my face. "Do you see the engraving on this cock ring boy?"

I said "YES SIR".

He asked me what it said I read it to him "Property of Jeff and Rick Jones".

"Good now put it on."

I took it and put it on my dick. It was heavy and weighted my dick and ball down.

Rick then chimed in and said, "Now we own you". This is to remind you whom you belong to. You will never take it off unless order by one of us. "Do you understand boy?"

I said "YES SIR THANK YOU FOR THE GIFT SIR".

"Very good boy you are coming a long really well. Now lets show you the rest of the house."

Both Jeff and Rick grabbed me by the arms forced me up the stairs. Then we turned to the left and were in the kitchen. They stopped and pointed to the stove and sink. Jeff said This is where you will make everyone's meals and they better be good or you will be punished."

Then they dragged me to dining room. "You will make and clean the table before and after every meal. Breakfast is at 7:30am, lunch is at noon, and diner is at 6:00pm. Understand boy?"

I said "YES SIR THANK YOU SIR".

We then proceeded to the living room where. John and Mike were sitting together on the sofa. Jeff told me that I was not to use the furniture. I was to sit on the floor by either Jeff's or Rick's feet. I was also to massage their feet or suck their dick whenever I was at their feet unless told otherwise. Understand boy?"

"YES SIR THANK SIR".

"Good boy."

John asked how everything was going. Rick said "The boy is starting to learn the ropes but has a lot more to go.

John said "Keep up the good work and don't give the boy any slack or he will take advantage of you guys."

I was think the opposite but knew better then to say anything.

"Ok boy its time show you our rooms. You will spend a lot time in there." We went to Jeff's room first. Inside there was a queen size bed, a dresser, a computer and desk, and a walk in closet. "Every night you will come to our rooms and service one or both of us. Then you will shower with one or both of us. We will tell you what you are required to do into the bathroom when we get there. But first let us show you the closet."

I was drag into the very large closet. "You see the hooks in the ceiling with cuffs hanging on them? When you have been bad you will hang by your wrist and be flogged. Do you see the floggers hanging on the wall? You will be flogged until we feel you have learned your lesson. Also, Rick likes to play with electricity. So, do you see the metal butt plug and cock ring? They will be

attached to your cock and ball then the butt plug will be inserted into you ass. We will send electricity through your prostate. This can be very pleasurable and painful depending on the power used. Do you understand Boy!

"YES SIR I WILL NOT DISAPPOINT YOU SIR."

"You better not or you know what will happen."

"YES SIR I DO SIR."

"Good now lets show you the bathroom." We then went down the hall to the bathroom. Kirk was following us the whole time with a big smile on his face. The bathroom was huge. Two sinks, a six head walk in shower, Jacuzzi, and what looked like two toilets. Rick said "First you will remove our clothes and walk into the shower with us and clean us head to foot. Then you will dry us. Next, you will clean yourself and come out and dry down. Once completely dry you apply body lotion to our entire bodies. Then one of us will take you down stairs to your bed where you will be shackled to the bed for the night. Do understand everything that is required of you?"

"YES SIR I UNDERSTAND EVERYTHING THAT IS REQUIRED OF ME. THANK YOU SIR."

"Good then do it NOW."

However, I said "You are all ready naked, SIRs".

Rick got pissed at that remark and slapped me across the face. "BOY YOU BETTER SHOW MORE RESPECT TO ME, MY BOTHER, AND MY FRIENDS. NOW REMOVE KIRKS CLOTHES BOY. You fuck up and will get punished for that."

I said "Sorry Sir, and ran over to Kirk who was in the hall watching us. I started removing his shirt. He just smiled at me and looked into my eyes. Next, I took off his pants and socks. He isn't wearing any underwear. We all then got into the huge six head shower. I soaped up Kirk first, scrubbing every inch. God he had a beautiful body. I washed his dick and it was hard as a rock.

Jeff told me suck Kirk's dick. I hesitated because I thought that Kirk was going to rinses off. However, he didn't so Rick went behind me and pushed on my shoulders. Of course I lowered myself to Kirk's waist. The dick was huge. I tried to take in all the way but could only get it halfway. Plus, the soap tasted awful. However, Rick pushed on the back of my head keeping me from pulling out. So, with some help from Rick I finally got it down my throat. He held it there until I thought I going chock to death but he let up just in time for me to catch my breath. Then, pushrf my head back down Kirk's long shaft. Held me there again, but this time longer. Then let me up.

Rich continued to do this until he thought I was trained enough for today. Then, he let me go and said, "NOW BOY SUCK IT, LIKE YOUR LIFE DEPENDS ON IT. YEAH SUCK ALL THE AWAY. FASTER BOY! GET KIRK REAL HARD. SUCK BOY, YOU KNOW YOU LOVE IT BOY."

I want to really make my Master friend feel like he's going to explode. Kirk started moaning and fucking my mouth like a dog in heat. All the time Jeff and Rick were beating their meat. Then they all came at once. Jeff and Rick came all over my back.

Jeff then told me to finish my job. So, I washed all three down, dried them, and then washed myself. When I came out of the bathroom. All three boys were sitting on the sofa. So I sat on the floor next to Rick and massaged his feet. After, watching TV for a while, Jeff suggested they go for swim. I of course was not. However, Jeff had other things in mind for me. So all four of us headed out to the pool.

Jeff said "Boy put sunblock on us".

I rubbed sunblock on each one. They look so good all shiny with the lotion on. Then all three did me. It felt so good with three pairs of hand rubbing me down. Then Jeff tells me to stand next to the clothesline. He attaches a chain from my collar to the clothesline. Jeff told me that now I can get them drinks when they want some. The clothesline ran a long the pool to a frig outside. However, I could not sit down because of the clothesline.

Rick told me to get them three cokes. Then Jeff jumped into the pool. I went to the fridge, got three cokes, set them by the pool, and stood waiting for instructions. They then hit a ball back and forth to each other. Sometimes, it went out of the pool and they ordered me to get it. Kirk said he was getting hungry. So Jeff got out of the pool unattached my collar from the clothesline, and told me to fix Lunch. I found some steaks in the fridge and cooked them on the grill.

Jeff, Rick, and Kirk sat at the patio table. I was told that I would have to sit on the ground next to Kirk and eat. Kirk liked the idea of me at his feet because I could see he was getting hard. Kirk said that this was great and since I was on the ground that I should give him a blowjob. While I was sucking Kirk, all three boys were talking like I wasn't even there. Once and while I would hear Kirk moan. Finally, Kirk exploded into my mouth.

Jeff and Rick then said that they needed a blowjob and I should do them next. So, I sucked them off too. After they came we all went in the house. It was getting late so Kirk had going but would be back tomorrow. Jeff and Rick went into the bathroom with me followed them. We all went back in the shower and I washed and dried them again.

After I dried myself down, Rick grabbed my arm, pulled me into his room and then into the closet. I knew what was going to happen. I was going to be punished, but what for? Rick attached the hanging cuffs to my wrist. I was helpless. He then grabbed a flogger from the wall. Rick asked me "Boy do you know why you are being punished?"

I said "No Sir".

He said "Boy you are being punished because you did not take Kirks clothes off when you where told to do it the first time and you talked back to me. Do you understand me BOY?"

I yelled "YES SIR SORRY SIR. I WILL NEVER TALK BACK YOU AGAIN SIR."

Rick YELLS "YOU BETTER NOT BOY". He then starts flogging me. It feels nice at first. I was getting hard. Then Rick started hitting me harder and harder. It turns into pain! Every blow hurts more and more. We went on for about a half-hour. The Rick handed the flogger to Jeff. Jeff flogged me for another half-hour. They passed the flogger back and forth for another hour and half. I was in so much pain that I could hardly take it anymore.

Then Rick stopped and walked up he held me and stuck his cock up my ass. I yelled because he did not put much lube on. However, I was still loose from the previous fuckings so it didn't hurt too much.

He whispered in my ear "Boy have you learned your lesson."

I said, "Yes sir".

He said "Good boy" then fucked me for about an hour. After he came, Jeff helped me down. I fell to the floor exhausted. They carried me downstairs and cuffed me to the cot face down. There was a hole in the cot where the dick could go through. Rick put a pan under the cot and told me if I had to pee then piss in the pan.

I said "Yes Sir, Thank you Sir".

He patted me on ass and said good night. They went up stairs and the lights went out.
