Day Three

Jeff came downstairs and slapped my ass to wake me up. "Time to get up boy." He uncuffed me, told me to empty the pan under the bed, come up stairs, and make breakfast. So I did what he said. Up stairs I started breakfast by making eggs and bacon. However, while I was waiting for them to cook, Rick walked up behind me and started rubbing his dick up my ass and pinched my tits. He slowly fucked me while I was cooking. He reminded me not to burn his bacon.

Then John (father) waked in and YELLED at Rick, telling him to wait until the boy was done cooking. "You could get grease burns".

Rick pulled out, whispered into my ear "Later boy" turned and waked way.

I finished making breakfast and served the Jones family their first breakfast from their new slave! They dug in while I sat on the floor next Jeff. Jeff leaned over and tolled me to suck his cock. I crawled under the table and suck my master cock. They kept talking and Jeff just smiled at me. Rick asked John if he could take the van to one of his friend's house. John said ok. Just then, Jeff came into my mouth.

Then, they all got up and went into the living room to watch TV. I was left cleaning up the table and the kitchen. After, clearing the table I started washing the dishes. About a minute later, Rick came in and stuck his cock up my ass again. He whispered in my ear "Where did we leave off" and leaned into me then started fucking me. I did not have a choice but to lean over the hot dish water grabbing the faucets for supports. He grabbed my collar pull my head back and kissed me. Sticking his tongue down my throat. I was in heaven. Just as Rick came, Kirk walked in and said "Dam what a hot boy".

Rick pulled out and said "You're welcome to have seconds".

Kirk said thanks and pulled out his dick. I just stayed there and Kirk stuck it in me and fucked me some more. We fucked for about 15 minutes and Kirk came too. He pulled out slapped my ass and walked into the living room with is buddies.

I finished doing the dishes and cleaned myself off. Jeff then called me to the bathroom. He was standing there waiting for me. I went to him and he said, "Clean me boy". I removed his robe and

we walked into the shower. I washed him up then dried him. After he left Rick and Kirk comes in and I did the same for them.

After I came out of the bathroom, Jeff grabbed the keys and me by the collar. Jeff said that he wanted to show his friends his new slave boy. Rick went into his bedroom and grabbed some handcuffs. As we went into the garage Rick grabbed my arms and cuffed them behind me. He then pushed me onto the floor of the van. Rick got in with me between his legs. Kirk and Jeff got in the front seat. We drove away.

Rick said "We are picking up Tom first before we go to Jims."

We got to Tom's and he opened the door and said "Shits man, what do we have here!"

Rick explained about me being their slave and how I do everything they wish. Tom said "Cool! That's fucking hot" then got in and closes the door.

Rick said, "Since your are our friend the slave will do everything you tell him to do".

Tom said "In that case, slave suck my dick!" I unzipped his shorts and pulled out uncut 6.5" dick. Tom loved the blowjob. While I sucked him, he grabbed my tits and pinched them real hard. I moan and my dick got hard. Tom smiled at me and told Rick that he was going to have fun with this boy. Then pointd to my dick and twisted my tits hard. My dick jumped. He told the others that I liked being tortured. Then asked me if I like it.

I said "Yes SIR! Please Sir pinch my tit harder."

He smiled and pinched them harder, I moan. Tom said that I need a gag. Kirk said "Jim has one we can gag him with." In the mean time Tom pushed me back down onto his cock. Tom bent over and rubbed my ass. Then he slapped it five times really hard. This pushed me farther down his cock. Tom then slapped me on the back then the ass and the back again. He did this until we got to Jims. My ass hurt and was red hot. Tom said that he liked a red-hot ass before he fucked it.

We pulled into Jim's garage and Jim closed the garage door. Jim then opened the vans door. He yelled "WHAT THE FUCK" and smiled at me.

Tom pulled me off his cock and told me to say hello to Master Jim.

I said "Hello Master Jim, Sir."

Jim said "Hi boy we are going to have fun with you aren't we."

I said softly "Yes Sir."

He said, "I can't here you, Boy".

I Yelled "YES SIR!"

"That's better. Now lets get you down stairs." He pulled me by my collar into the house and down the stairs. In the basement there was a sling to my left and a cross next to it. As I turned my head

to my right I was shocked to see another boy in a cage. He looked about 18, blond hair, smooth all over, and collar around his neck. Jim waked me over to the boy and introduced me to his slave boy.

Jim opened the door and pushed me in. It was just big enough for the two of us. Jim told his boy that he was in charge since he has been a slave longer. The boy smiled and thanked Master Jim. Jim said that his boy can fuck me but he cannot cum or will be punished. Rick and Jeff smiled at me and told me not cum either. Then Master Jim told the others to come up stairs. We were left along.

The other slave boy started punching my tits and kissing me. I kissed him back. It was hot. I started to pinch his tits as well. He moaned and kissed me more passionately. I was so horny. We did this for what seemed like hours but was only about 10 minutes. Then he turned me around and stuck his finger up my ass, first two and then three. Then he stuck his cock in me and fucked me hard. We fucked for another 20 minutes. Then our Master came back down stairs. Jim told us to stop.

He opened the cage pulled us out, "Time to have some fun." As Jim said this he had an evil grin. I was a little afraid. I was pulled over to the cross and attached by my wrists and ankles to cuff on the cross. I was spread eagle to the cross, waited for what Jim had in mind for me. I heard Jim walk over to the table and pick something up. Mean while Tom was tying my balls to a hook on the floor. I was a little scared but hard as a rock. It was exciting and scary at the same time.

Then I felt Jim behind me. Jim raised his arm and all of sudden I felt a stinging on my back. I jumped and my balls were pulled. He was flogging me. It stung but I was horny and it made my dick hard each time he swing the flogger. Jim kept hitting me harder and harder with each blow. I started to get a rush like a runner's high. It was different then the flogging I got last tonight. This time it wasn't punishment but instead it was fun. Plus, Tom was pumping my hard dick. It was great. Rick whispered in my ear asking me if I like it. I just nodded my head yes! Rick told me "Good boy". I feel proud that my Master was happy with me. Just as I was about to cum Tom stopped pump my dick and Jim stopped flogging me.

Now I was brought back to earth by Rick talking to me, asking how I was and rubbing my back. He then started kissing me and sticking his tongue down my throat. I was in heaven. The kisses were the most passionate kisses I had ever had. This lasted for 5 minutes, then they unattached my legs, arms, and cock. Rick grabbed one arm while Tom grabbed the other. Jim ordered his boy to get out of the cage and they put me in the cage. Jim locked it and said, "Be a good boy".

I said "Yes Sir". I watched as they did the same things to Jim's boy. But this time Rick flogged the boy and Jim comforted the boy. After they let Jim's boy rest some, they took him down and told him to get on all fours. Then connected a leash to his collar. Jim unlocked the cage and connected a leash to my collar.

Jim's boy and me were orderd to crawl upstairs to the living room. I was shocked to see a man sitting on the floor with a collar and harness. He was handsome with a well-developed body. Jim introduced me to the man sitting in the chair next to the man with the collar. Jim said "Dad this is Rick and Jeff's new slave."

Jim's dad said "Nice body, very good choice". Jim's dad asked Rick and Jeff were they found me.

Jeff said " At the shelter where you got your slave".

Jim's dad said "Very good. Did Justin sell him to you?"

Jeff said "Yes Sir".

Jim's Dad said "Well glad that he is helping out the community and making some money too. Good for him."

Jeff said, "Yes my boy is learning very well." Jeff patted me on my head. I feel like a pet they just bought home from the pound. This was humiliating but I was proud when Jeff praised me and patted my head.

Jim said, "Come on boys we have to clean you up". He led us to the patio where there was a sawhorse used in gymnastics. I was told to lean over it. My arms and legs were attached to hook on the floor.

Tom picked up the garden hose and connected a long tube to the end. He pushed the tube up to my ass hole and said, "Open wide". The others laughed at that.

Once inside Tom told me to squeeze my ass hole around the tube. Then Jim turned on water. The cold water started going up my ass!! Jim left it on for about a minute then turned it off. Tom told me to hold it in. Mean while Rick came out with a bucket of soap and water. My insides started to hurt. Tom told me to hold it another minute. I was trying to hold it but it hurt too much.

I asked, "Tom please could you take the it out, Sir."

Tom smiled and said "Another 20 seconds."

I asked "Please Sir take it out Sir."

Tom said "10 second boy".

I held it for 10 seconds and Tom pulled it out. The dirty water came rushing out. They did this to me three more times until the water coming out of my ass was clean. Tom removed the tube from the garden holes and attached a spray handle. Tom sprayed me down and Rick washed me with the soap and water. When they were done Tom sprayed me down again and Jeff dried me.

Jim said, "Now that looks better. We can now fuck him with out getting dirty." But first the boy needs to be spanked." Jim started slapping my ass hard for about 5 minutes. He then put his 7" cock up to my ass hole rubbing my hole. The cock was father then any that have taken before. He asked me if I liked it.

I yelled "YES SIR".

Jim said "Well you may not once it's in". He put some lube on his dick started pushing it inside me. He put it about 1/4 of the way in and then pulled it out. It hurt some but my dick was hard. Then he pushed it in 3/4 of the way and this time it hurt more. He told me that I was nice and tight just

the way he liked them. Next he pulled his cock all the way out again and slammed his 7" cock all the way in. I moaned from the pain and pleasure. He just started fucking me hard slapping my ass at the same time. The pain went away and replaced with hot horny pleasure. All the while Tom was fucking my other end. After about 10 minutes Jim shot his load.

Next, Tom came around and fucked me in the ass. He was a little slower and took his time enjoying slapping my ass. Kirk replaced Tom's dick in my mouth. Tom took about a 1/2 hour to cum in my ass. Then Kirk pulled out of my mouth and fucked me hard and fast like Jim. He came in about 15 minutes. Then Rick and Jeff used my mouth and ass. I was just gang banged by five hot and horny teenagers. I loved it!

Jim's boy just sat with his head down waiting for us to get done. Tom sprayed me down with water again. They went back into the house and let me drip dry. I was left until it got dark about 2 hours.

Then Rick and Jeff untied me from the sawhorse. Lend me back inside and out to the van. I was placed in the back were I was put into a cage and locked in. We went back home. Rick, Jeff, Kirk, and Tom picked up the cage with me in it and carried it downstairs. Rick told me that this cage was given to them by Jim's dad and that this is where I was going to sleep from now on. He said the next time that you see Jim's Dad thank him for your cage.

I said "Yes Sir".

"Here is some water and dog food. " Jeff bought over a cooler with tube sticking out of it. He plugged it into the wall. He attached tube from the cooler to my dick. He said, "If you have to piss then piss into the tube. You will drink it when you have been a bad boy. Do you understand boy."

I said "Yes Sir".

"Good then you are going to be a good boy. Right?"

I said "Yes SIR", but a little louder this time.

Jeff said "Good boy, and good night". They went up stairs and turned off the light.
