Day Four

The next morning Rick came down to my cage. He kicked the cage and yelled "Wake up boy, I need a blowjob". He stuck his dick through the bars. I was now half awake. Rick yelled again for me to wake up. That got my attention so I turned around and sucked my Masters dick. He put his hands through the bar and pushed my head all the way down to the base of his cock. He then fucked my mouth fast and hard. Within 5 minutes he came.

Rick pulled his cock out of my used mouth and went to the side of the cage and reached into the cage and detached the tube from my dick. He pulled the tube into the cooler. Next he unlocked the door of the cage and told me to get out. I crawled out of the cage.

Rick commanded me to take go up stairs make breakfast. I ran up the stair and started breakfast. I made pancakes and bacon. We ate our breakfast with me on the floor by Rick.

John announced the he and Mike had go on an unexpected trip. So you three will stay at Jim's Dad's for the weekend. John told us to be good and do not give them trouble.

We all said "Yes Sir".

After breakfast John and Mike brought us to Jim's house. Jim's Dad met us out front. He opened the garage door and motioned us inside. When inside he closed the garage door. Then he opened the van's side door and said hello to John and Mike. They chatted a little then called me over and attached a leash to my collar. Jim's Dad pulled me out of the van. Rick and Jeff then came out of the van. Jim's Dad chatted some more with John and Mike then pulled me over to the back door. He opened the door then attached and locked my collar to a chain. He then unhooked the leash, told me "There was food, water, and a bucket for me to shit into." Then, he slapped my and said "Go play with the others boy and closed the back door." Heard a lock click on the door. I was let out like a Master lets out his dog.

Outside there was Jim's boy and his dad's boy. Jim's boy ran over to and wrestled me to the ground. He tried to over power me but this time I fought back. We wrestled some more and some how he got my chain rapped around my wrists, then pushed me to the ground again. I was now helpless and he knew it. He got behind me and stuck his dick up my ass and fucked the shit out of me.

Mean while Jim, his dad, and the twins were watching and laughing at us thought the sliding glass window, like they were watching two dogs play. I felt humiliated.

After all I was a man not a pet. However, it also turned me on. This was what Jim's Dad wanted to happen. Set the ground rules and see which of us was the leader and which was the follower.

After, Jim's boy fucked me he left me tied up and went to lie down in his cage. I lay there not knowing what to do. Then Jim's dad's boy crawled over to me and circled me, like a hyena that was looking for leftovers. He then climbed on me and fucked me too. He fucked me for about an hour resting every 20 minutes. Finally he came and fell asleep on top of me with his dick still inside. I also fell asleep.

After 3 hours I was awoken by Jim's boy fucking Jim's dad's boy. When they were done Jim's boy pushes the other boy off me. Then untied my wrists and let me drink and shit. I rubbed my ass on the grass to clean it. Jim's boy then pulled me to his cage and we fell asleep together with his dick inside me. The weekend was going to be nice.
